Professional Summary

Frontend-focused Full-Stack Software Engineer with 2.5+ years of experience in building responsive web and mobile applications using React, React Native, JavaScript, and Java. Strong expertise in translating Figma designs into pixel-perfect, reusable UI components and integrating applications with RESTful APIs. Hands-on experience with PostgreSQL and MySQL, collaboration with Spring Boot backend systems, and Agile development practices. Proven ability to design scalable frontend architecture and reusable component libraries that improve development efficiency.

Technical Skills

- **Programming Languages**

- JavaScript (ES6+), Java

- **Frontend Development**

- React.js, React Native, HTML5, CSS3, Bootstrap, Tailwind css
 - Responsive Design, Cross-Browser Compatibility

- **Backend & APIs**

- REST API Integration, Java Spring Boot (familiar)

- **Databases**

- PostgreSQL, MySQL

- **Tools & Platforms**

- Git, GitHub, Postman, VS Code

- **Design & Methodologies**

- Figma, Agile, Scrum
 - AI-Assisted Development (ChatGPT, Cursor AI, GitHub Copilot)

Professional Experience

Software Engineer

June 2023 – Present

Sequoia Applied Technologies, Chennai, Tamil Nadu

- Developed and maintained responsive web and mobile applications using React and React Native
- Translated Figma UI/UX designs into scalable, reusable, and accessible frontend components
- Integrated frontend applications with RESTful APIs built using Java Spring Boot
- Designed and developed a reusable NPM package to standardize frontend components and shared utilities
- Implemented versioning, clean APIs, and internal documentation to improve adoption
- Integrated the package across multiple projects, reducing code duplication and improving consistency
- Worked with PostgreSQL for querying, validating, and managing application data
- Leveraged AI tools for debugging, refactoring, and productivity improvements
- Collaborated in Agile sprints, code reviews, and Git-based workflows

Service Advisor

August 2022 – January 2023

Apco Hyundai, Kasaragod, Kerala

- Managed customer service workflows and coordinated vehicle repair processes
- Diagnosed issues and ensured effective communication between customers and technical teams

NDT Technician

December 2021 – March 2022

Geecy Apave Pvt. Ltd., Bhiwandi, Maharashtra

- Performed Non-Destructive Testing (NDT) operations at Reliance Refinery, Gujarat
- Ensured compliance with safety and quality standards in industrial environments

Education

Bachelor of Technology (B.Tech) – Mechanical Engineering

LBS College of Engineering, Kasaragod

2016 – 2020

Languages

English (Fluent), Malayalam (Native), Tamil (Intermediate), Hindi (Basic)
